

## 190<sup>th</sup> South Caribbean District Conference

### MORNING DEVOTIONS

#### Introduction

The theme for the 2008 District Conference is "*HOLY SPIRIT: RESTORE, HEAL AND EMPOWER US*". For the purposes of the meeting of the District Conference each morning's devotions we will look at different petitions which arise from the theme.

We will continue this year with the inclusion of testimonies. Persons assigned are being asked to share in **THREE (3) MINUTIES** something of how God has been at work in their lives. It should be spoken. Let us try to keep this current and not about the things that have happened in the distant past. Persons should share as deeply as they are comfortable to share. However, persons are reminded to keep their testimony within the designated time span; going on too long will throw the time table out.

As in previous years the Order of worship is to be designed by the worship leader, after consultation with the preacher. The team is also responsible for the epilogue for the day. Please try to include the gifts of the members of the District Conference in various ways in your planning for worship. Remember the total length of worship must be forty-five (45) minutes.
